Impure Blood
Suffered for three years

Mr. F. Westall of Mitcham, So. Australia, sends us his portrait which shows a smooth and healthy condition of the skin. But he has had the following experience:

"For the past three years I have been suffering from an eruption of the body. I had medical attendance and had medicine to take and a lotion for outward application, but they did not do me the slightest good. In fact I tried all sorts of medicine and nothing seemed to relieve me. My life was a burden. I had no appetite and I could not sleep. I was strongly advised to try

DR. AYER'S Sarsaparilla

by a friend who had received great benefit from it. I did so, and after taking only two bottles the itching lets me and I feel better in every way. I continued taking the Sarsaparilla and altogether took six bottles. I am now free from the eruption and can get my sleep as well as I ever did in my life. It is now about eight months since I was cured, so I am sure I can say the cure is a permanent one." For constipation take Dr. Ayer's Pills. They promptly relieve and surely cure. Take them with Dr. Ayer's Sarsaparilla one side the other.

The Best Plaster.

A piece of flannel dampened with Chamberlain's Pain Balm and bound on to the affected parts is superior to any plaster.
